Ballyhoo strives to create a casting process that is welcoming and serves those auditioning as well as the creative team in the full exploration of the material. All body types, races, ethnicities, and abilities are desired for any available role. Ballyhoo recognizes that most characters are written as binary (using he/him or she/her pronouns) and we invite GNC, genderqueer, transgender, and nonbinary actors to submit for all roles with which they identify. If you have access needs, please let us know. If there is anything that will help to make you comfortable in our audition room, please ask.
